

HEADLINE

A top Business Developer and Property Manager who has developed highly effective ways to manage businesses and properties. With my expertise, you can rise above the rest and me assisting you to make the most of your management company to ensure that you get the best value for money along with dedicated support throughout.

SUMMARY

I am a highly innovative and self-motivated Property Manager-cum-Business Developer based in [City], [State]. I'm currently the sole proprietor of [Name of Company], a startup I launched in 2011. Besides running the business, I was engaged by [Name of Company] as a Business Developer and a Senior Property Manager.

Over the years I have gained superb experience in the fields of Business Development, Property Management, and Property Consultancy.

I have successfully launched several companies from scratch; having undertaken each and every aspect from planning to recruiting and marketing. The businesses became profitable within a period of just 3 months.

My greatest skills are my strong leadership qualities along with excellent interpersonal skills. My sophisticated problem solving skills have also allowed me to professionally deal with and manage relationships with numerous people in the blazing fast business environment.

Thank you for dropping by at my profile. I welcome any queries you may have regarding Property Management or Business Development.
