

Silver Packers & Movers - Video Script

Meet Felicity.

Felicity has just signed the lease of her new house in California and is absolutely over the moon. She cannot wait to look forward to relaxing in her open yard patio and enjoy a couple of drinks with her friends over a barbeque.

But there's a slight problem that is killing Felicity's excitement. Well, she is finding it really difficult to look up movers and packers within her area who are well renowned to help her with her shifting needs. Often there are instances, where people like Felicity, waste countless number of hours and put themselves through unneeded stress, **after all, shifting to a new city is stressful itself.**

BUT, Felicity, after much research, came across us, SILVER PACKERS & MOVERS - THE ONE STOP SHOP FOR ALL YOUR MOVING NEEDS. We are striving to revive the existing benchmarks within the American Moving industry by providing services of a Gold Standard caliber. For us, each of our clients are extremely valuable and their moving needs become **OUR TOP PRIORITY!**

With experienced stackers, fast packers and professional foremen on board, we ensure that we limit our volumes so that each of our client receives exclusive, personalized and dedicated services. With operations in California, Washington and Colorado, we will provide a 100% free, no obligation quote within a few minutes after assessing your requirements.

If you're looking for the perfect company to help with your moving needs, be like Felicity.

Felicity wasted no time in deciding us as her movers and took full advantage of her free quote. She can now relax at the nail spa and devote the time towards planning her housewarming party with her friends.

Thinking To Move? Think Smart! Think Silver Packers & Movers !
